Letters to the Editor

Tired of Cuomo's smear tactics? Do you want to vent and let others know about the governor's failed policies and Rob's plan to get New York moving in the right direction again? Submitting a letter to the editor of your local newspaper is a great way to reach voters. Click [here](#) for some tips on how to submit a letter to the editor in your hometown paper.

Events

Do you know of a big event in your area that attracts a lot of people? Attending an event and handing out literature is a great and fun way to get Rob's message out to voters. Please [contact me](#) if you need palm cards and bumper stickers for an upcoming fall festival, street fair or parade.
